**Application instructions for candidates to the Fulbright Grant for Master's and Ph.D., to the Fulbright Research Grant, to the Fulbright Research Grant with the support of FCT, to the Fulbright Travel Grant, and to the Fulbright Grant for Self-Placed Students in PhD programs with the support of FCT.**

#### **STEP 1: Learn requirements for submitting an application**

The deadlines for submitting the applications are:

- January 31, 2018 for the Fulbright Research Grant and for the Fulbright Research Grant with the support of FCT,
- March 31, 2018 for the Fulbright Grant for Master's and Ph.D.,
- March 8, 2018 for the Fulbright Travel Grant,
- April 15, 2018 for the Fulbright Grant for Self-Placed Students in PhD programs with the support of FCT.

**Applicants should start by reading these instructions and the “Regulamento da bolsa”, specific of the grant they are applying to and that is available in the grant's web page.**

**Applications and supporting materials received after the deadlines will not be considered.**

#### **STEP 2: Record user ID and password in a safe place**

Your email address is your user ID. When you created an account for this on-line application, you created a password. An e-mail was sent to you indicating your User ID and Password. Keep this information in a safe place.

You can log in and out of the application as frequently as you like; however, you must have your user ID and password.

#### **STEP 3: Complete the application**

You do not need to complete this application at one sitting. You can re-enter at anytime and edit your application. But remember that once you submit your application, you can no longer make changes to it.

All forms in this application are to be completed in English. Items must be answered completely and carefully.

Some helpful “tips”:

- Avoid using all capital letters when answering items, e.g. name, address, etc. It is better to use upper and lower case, e.g. Maria Silva.
- You can copy and paste information into all text boxes.
- In the text boxes, you must limit your responses to the space provided. Information that exceeds the space provided will **not** display or print. If what you have typed or copied exceeds the size of the box, you must edit it.
- On the essay pages, it is recommended that you try to keep your essays to one page when possible.
- Some questions are “required”. In other words, you will not be able to submit your application until all required items are completed. When you click on the **Review** button on the application menu, your application will be checked for completeness. You will be prompted to enter any missing information on required questions.
- Often specific instructions for completing a question or item will be provided in the application. Please read all instructions carefully. In addition, please review the following important information:

### **Preliminary Questions**

Please make sure you respond to these questions correctly before submission (you must respond Portugal to the question “Through which program country are you applying?”). If you have answered incorrectly your application will not reach the Portuguese Fulbright Commission and therefore will not be considered.

The question “Have you checked with your Fulbright Program Office?” refers to the fact that this application system is used by all Fulbright Commissions but the competitions for the grants open at different times. In case you are not sure whether the competition for the grant you are applying to is open, you can either check the Fulbright website ([www.fulbright.pt](http://www.fulbright.pt)) or contact the Fulbright Commission by email ([plemos@fulbright.pt](mailto:plemos@fulbright.pt)).

### **General Information**

**Name:** It is very important that you list your name exactly as it appears (or will appear) on your passport. Please use upper and lower case when entering your name, e.g. Maria Silva. Also, do not use diacritical markings (*caracteres especiais, tais como acentos e cedilhas*) as this can sometimes create computer-related problems.

**Study plans—application cycle:** Applicants to the Research Grants should select 2018/2019. Applicants to the Ph.D. and Master’s grant should select 2019/2020. Applicants to the Travel Grant should select 2018/2019.

**Degree Objective:** Applicants to the Research Grants should select “Visiting Student Researcher”; applicants to the Master’s grant should select “Master’s”; applicants to the Ph.D. grant should select “Doctorate”. Applicants to the Travel grant should select “Master’s” or “Doctorate” as appropriate.

**Field of Study:** From the choices, select the field of study most appropriate to your study objective. You can briefly elaborate on the exact nature of your objective in the text box that follows.

### **Education**

**Institutions Attended:** Please list all post-secondary institutions attended in reverse order (putting the most recently attended first). List all post-secondary institutions attended even those from which you did not achieve a degree. You are required to provide academic transcripts from ALL institutions that you list and translations into English of these transcripts. Please do not include information regarding secondary education.

### **Experience, Language Skills and Test Scores**

**Examination Results:** TOEFL or IELTS scores are required for the application to the Fulbright Grant for Master's and PhD and you **must take the test no later than March 31, 2018**. If you submit the application before your scores are available, indicate only the date of examination. In case you have your scores before submitting the application, you can upload them in the application. If you do not yet have your scores by the time you submit your application, you should send them to the Fulbright Commission by e-mail ([plemos@fulbright.pt](mailto:plemos@fulbright.pt)), **no later than April 15, 2018**. TOEFL scores are available on the test website 2 weeks after you take the exam and you can print a score report from the test website. Applicants to the Fulbright Travel Grant should upload the scores reports of all the tests they have taken when applying to the university that they will enroll.

**Emergency Contact:** If you do not have an emergency contact in the U.S., you may leave this section blank.

For grantees of the Master's grant, the Fulbright Commission will work together with each grantee in the applications to the programs and universities chosen by the grantee and will cover the application fees and other costs related to up to 4 applications.
